

Full Size Trolley & Ultra Thin Trolley

240v Power Timers & 3 Metre Extension Lead Kit

Order Code: TK / TKS

This easy to use 24 hour Timer is ideal for use with our trolley range. Program for the length of time you Laptops are required to charge.

Choose off-peak times to reduce the electrical load placed on your facilities power source.

Features:

- Timer has 48 on/off switches allowing you to set around the clock.
- 24 hour programmable
- 15 minute increments
- Easy to use

Kit Contains:

- 2-3 HPM Digital Timers
- 2-3 3m Extension Leads

Using the supplied fitting instructions, mount the Digital timers to the inside of the trolley to hide & secure. Then plug in the extension leads from the outside.
