

Flat Panel Stand

Simply loosen the two hand wheels to raise or lower the Panel to suit your day's requirements

The unique design of this kit will allow your new Flat Panel to be mounted with 500mm of finger tip height adjustment. Mount your DVD player or Laptop front or rear on one of our height adjustable shelves. The stand has a universal Visa Mount that will adjust from 100x100mm centres to 400x400mm centres.

Include an easy to follow construction guide and only requiring only simple hand tools for construction. This Kit will take the engineering and complexity out of mounting and transporting Flat Panel monitors from room to room.
