

GRIPCASE

the ultimate case for maximum protection, handling and portability

Protection

GripCase's EVA foam construction and patent pending design protect your school's investment.

- Protruding handles protect the glass during front impact
- Corner cushions redirect impact force away from the device

Handling

GripCase's 4-handle design allows for easy handling in both portrait and landscape mode. GripCase is an excellent assistive technology aid in special needs environments.

Portability

GripCase's slim design and 212.6 g / 7.5 oz weight makes it ideal for travel, whether in your school's hallways or outside with your students.

Dimensions:

26cm L x 31.1cm W x 3.2cm H
10.25" L x 12.25" W x 1.25" H

Weight:

212.6 g
7.5 oz
