- No more kneeling down to get those devices from the bottom shelf! Multi-Tab loads from the top.
- The adjustable Multi-Tab compartments suit virtually any tablet of any size, with or without cases, in portrait or landscape mode.
- Multi-Tab is a storage & charging solution and can be upgraded at any time to synchronise as well
- Tablet bay sizes adjust from 15cm high & 20cm wide out to 26cm wide & 36cm high
- Multi-Tab is one of the most robust as well as light-weight trolleys available for longevity as well as ease of movement around the campus - only 17kgs.
- Lockable lower compartment to prevent unauthorised access to power adaptors.
- It even has a separate shelf for storage of a notebook.
- Multi-Tab is manufactured in Australia. Locally made, local support. Buy Australian!
